

Home Suite Homes

We're excited to announce our recent move into two new There With Care offices! These new locations greatly enhance our ability to more fully serve children and families in crisis. In Boulder, we now have much needed meeting space and storage capacity for the food, baby items, toys, books, cribs, car seats, strollers we provide to our families. When we receive a call for assistance, we have

within arms' reach the means to meet a family's immediate needs.

In Denver, we can now more effectively reach out to families who could not previously be served from Boulder. We are tremendously grateful to Board Member, Mimi Roberson, CEO of Presbyterian/St. Luke's Medical Center, for providing this invaluable space where our volunteers can attend trainings, collect NICU Baby Essentials, and shop locally for family groceries.

We'd love to see you, so stop by and say hello!

Being There With Care

By easing the weight of life's daily burdens, There With Care strives to give families the "gift of time" with their loved ones. A special There With Care mother shared a story that illuminates what this means for families.

The twinkling smile of Thomas Buck

"With little support system, our life was thrown into total chaos when our son was diagnosed with a brain tumor at the age of 3. There With Care provided us with the practical help we needed so we could face the daily stresses of a child with cancer and two well siblings.

"We had groceries and prepared meals delivered -- always with love; transportation for radiation treatments, and housecleaning services. This help meant our children could maintain a somewhat normal life, my husband could work, and we could all spend time with Thomas.

"We always felt we were surrounded by people who were truly doing this from the goodness of their hearts. And, we would not have been able to have so many beautiful memories had it not been for the help that There With Care provided us."

-Cate Buck, Thomas' mother

There With Care is privileged to now have Cate as a committed volunteer dedicated to helping families such as her own and a beautiful tribute to her son.

How We've Grown Together

As we look forward, we wanted to take a moment to share a bit about how far we have come with your help.

In cooperation with Boulder County and Denver-Metro Area medical facilities, There With Care has coordinated program services and volunteers for more than 275 families since December, 2005.

With your help There With Care has:

- ◆ Logged 15,000+ hours of volunteer time
- ◆ Provided 2,500+ hours of transportation to and from medical treatments
- ◆ Provided 2,000+ hours of babysitting and mentoring for patients and siblings
- ◆ Supplied over \$100,000 in purchased prepared meals, baby items, housecleaning, cellular telephones, auto repairs, transportation, counseling and art therapy
- ◆ Delivered more than 75,000 pounds of groceries to families
- ◆ Received more than \$300,000 of in-kind product donations and donated professional services

Your Support Gives Families Strength

We continue to be humbled by both the families we serve as well as the multitude of people that believe in our cause. As the need for our services continues to grow, we want to express our heartfelt gratitude for all the support you have shown for There With Care.

We are thrilled to have Dana Bacardi as our Development Director. Dana's unique blend of philanthropic spirit and established reputation in the Boulder business community make her an asset for working with individual donors as well as corporate and local business sponsors. If you have a fundraising idea or would like to discuss contribution opportunities, please contact Dana at dana@therewithcare.org

As always thank your support, interest, and involvement with There With Care!
