For Families and Children Facing Critical Illness

## *Help Make Halloween 2020 Hopeful & Heart-Full*

**#TheFrontStepsProject** aims to bring communities together (virtually and absolutely with strict social distancing!) in a time when we are isolated. Let's rally together and support There With Care, a local non-profit, with the mission of providing thoughtful and fundamental services to families and children during the critical phase of a medical crisis in time of increased vulnerability.

### **How It Works**

**On Saturday, October 31st between 12-4, I'll be driving around Boulder, taking pictures of your families in their Halloween costumes.**

***Costumes are required!***

### **How To Participate**

1. Email your name, address and mobile number to:  
**timolynesson@hotmail.com** with the subject line **#TFSP Halloween**
2. Sign-ups will be capped at a manageable number on a first-come, first-served basis.
3. Once my route is finalized (at least 3 days prior), you'll get an email with a 30-minute window of ETA on Saturday. NOTE: I will not be able to honor particular time requests as I'm trying to photograph as many families as possible, and can only do so by minimizing my driving!
4. I'll text you when I'm in front of your house. Photos can be on your fronts steps or anywhere in the front yard or street (if safe). I'll be wearing a mask and will remain 10 feet away. Each stop will take about 3 minutes.
5. Photos will be edited and emailed to you, along with a link to the There With Care donation page. Please type **#TheFrontStepsProject** in the name field in the Acknowledgement section of the form (no need to check the "Send Dedication Acknowledgement" box!)

### **By signing up you acknowledge that:**

- You will donate to There With Care once your images are received
- Your image may be used on social media in association with **#TheFrontStepsProject** and **#TimolynEssonPhotography**

**PLEASE NOTE: This is not a photography session.**  
*This is fun and fast and casual.*
