IT'S TIME FOR

Stressless

INTRODUCING A NEW SHAPE IN COMFORT.

New Stressless® Max and Stressless® Mike recliners combine all the advanced innovative technologies plus clean Scandinavian style that Stressless® seating is known for. Both are available in three sizes with different heights to give you the perfect fit.

STRESSLESS® MAX mixes supple, voluminous shapes with state-of-the-art technology for a casual, generous look and a luxurious, comfortable feel.

STRESSLESS® MIKE is also technologically advanced and features rounded shapes and details that enhance the soft lines of the clean and contemporary cushion design.

WORLD'S FIRST MOTORIZED CHAIRS THAT CAN ADJUST IN FOUR DIFFERENT WAYS – LEG, LUMBAR, BACK AND HEAD – TO GIVE YOU MORE COMFORT THAN EVER BEFORE!

SOOTHING MOTIONS

The soothing rocking motion easily activates when you slightly push your feet to the floor, and deactivates when the footrest is out.

ADJUST FOR REST OR ACTIVITY

The positioning of the headrest is individually adjustable for perfect support whether you're lying back to rest or facing forward to read, talk or watch a screen.

ADJUST WITH FULL SUPPORT

The integrated Plus™-system supports your neck and lumbar region in every position, and you can adjust the footrest to your preferred angle.

Both Stressless® Max and Stressless® Mike recliners come in three sizes for the perfect fit.
